WS03LDBX with WS03LD Set-Up Instructions 3 x 750ml WineShield™

1

3 x 750ml WineShield™

2

- 1 - Fold insert at inner score.
- 2 - Use thumb to pop open insert.
- 3 - Push 3 diagonal flaps into place.

3

Insert neck of bottles into small hole & push bottle down and back, pushing fingers towards bottom of bottle.

4

Place insert in box so that bottles are perpendicular to inner seam of box.

5

Place pad on top of bottles to prevent damage.
